November 27, 2018

36 INT. LECTURE HALL. DAY

37

38 **Yu Sun**, a professor of computer science at Cal
39 Poly Pomona, walks into the classroom.

40

41 **YU**

42 Okay everyone. Today is the day
43 you all demo your project. I'm
44 very excited to see what you
45 all came up with.

46

The first group gets up. They all look tired and
extremely nervous. One member of the group walks
up to the podium.

47 The first group gets up. They all look tired but
48 confident. One member of the group walks up to
49 the podium

50

51 **GROUP MEMBER**

I'm sorry professor, but our
project does not work.
We have no demo.

52 Hi. We have a really cool
53 demo. Let's get started.

54

55 The team presents their demo.

56

57 **YU**

Wow. That is too bad.
You all fail.

58 Wow. How cool.

59 You all get an A+!
